Would you like to appeal a decision regarding eligibility?

You may appeal decisions made regarding whether you meet the general and specific entry requirements for a specific course or programme.

Your appeal must be made in writing and include the following information:

- what decision you're appealing
- why you think the decision should be changed
- what change you're requesting
- which university the appeal concerns

Begin your appeals letter with "To the Higher Education Appeals Board".

If you'd like, you can also use the appeals form found at Universityadmissions.se.

Submitting your appeal

The easiest way to send in your appeal is by scanning your appeals letter/form and uploading it here in your account.

If you do not have access to a scanner, you can also submit your appeals letter by regular post. The address is:

Överklagande, Antagningsservice, R 312, 106 53 Stockholm

If you are a Swedish resident and have full identity protection, never upload documents to Universityadmissions.se or send anything to the above address. Instead, send your appeal by regular post to UHR JD, Box 45093, 104 30 Stockholm.-

Time frame and response

The appeals form must reach University Admissions in Sweden no later than three weeks from the date you read your admissions results. First, the university will review your appeal to see if there are grounds to reverse their decision. The university will then forward your appeal to the Higher Education Appeals Board. The decision that the Appeals Board makes is final and cannot be appealed.

Exceptions

Is your appeal for Chalmers University of Technology, Ersta Sköndal Bräcke University College, Stockholm School of Economics, Jönköping University, The Red Cross University College of Nursing, Sophiahemmet University College, Johannelunds Theological University College or University College Stockholm? If so, your appeal must begin with "To the Vice-Chancellor" as these universities themselves are the decision-making authority for the appeal.
