Please also note

Scholarship Programme

The scholarship competition was intense, and we received a great number of excellent scholarship applications. Unfortunately, this time you were not awarded a Scholarship for your master's studies.

You are an excellent candidate to be a master's degree student at our highly ranked University. Please check other available scholarship opportunities for the students of the University of Helsinki: <https://guide.student.helsinki.fi/en/article/scholarships-and-grants>. Many organizations and funds also offer scholarships to master's degree students.

Tuition fee

The exact amount of the tuition fee for the master's programme you were admitted to is 15,000 € per academic year.

The deadline for tuition fee payment is the same as registration as attending student, 31 August 2020. If you are applying for a residence permit, but have not yet paid the tuition fee by the time of applying, please make sure you have

sufficient funds to cover the tuition fee and living expenses in Finland according to the Finnish Migration Services instructions.

The tuition fee also includes the compulsory Student Union (HYY) membership fee, which provides you with substantial benefits.

The tuition fee is paid with an invoice. Please fill this formula in order to receive the invoice: <https://elomake.helsinki.fi/lomakkeet/89284/lomake.html>.

The instructions for the tuition fee payment will be sent to you with the invoice.

If you are granted a scholarship from a source other than the University of Helsinki, and the scholarship will be paid to you later than the last date of registration as attending student, please contact Admissions Services admissions@helsinki.fi.

One study place per term provision

You may accept only one study place leading to a higher education degree in Finland that begins in the same academic term (1 August – 31 December or 1 January – 31 July). Further information available at studyinfo.fi.

You need to accept the study place by the given deadline (15 July 2020 15:00 UTC+3). You will lose the study place offered in this message if you accept another study place in a study programme starting in autumn 2020 at the University of Helsinki or some other university or university of applied sciences in Finland. Accepting a study place is a binding choice, and you cannot cancel or change your choice later. When you accept a study place bindingly, all your other study programmes will automatically be cancelled.

A warm welcome to our academic family!
