

Dear Nathaniel,

The Mathematics, PHD program at Brown University appreciates the opportunity to review your materials. The program has carefully reviewed a deep and talented pool of applicants from which we were only able to accept a limited number. I regret to inform you that your application was not approved for admission to Brown University for Fall 2020.

We would like to convey our sincere thanks to you for your interest in graduate study at Brown. I know from my own experience, as both an applicant and an advisor, the energy and time that it takes to apply for graduate study. We understand that this is a challenging process, and our decision should not be viewed as a negative evaluation of your experience and qualifications.

I wish you the best in your academic endeavors.

Sincerely,

A handwritten signature in black ink, which appears to read "Andrew G. Campbell".
