Vrije Universiteit Amsterdam – Conditional admission

Studentnummer: 2699817

Dear Nathaniel Tighe,

Based on your previous education, the Admission Board of the study programme M Computer Science (joint degree) has decided to admit you conditionally based on the following conditions:

Please be so kind to send us the following documents before the mandatory deadline: 1. A certified copy of your diploma by postal mail: before August 31st. More info here: (under tab International Degree Holders > What Happens After Admission > Step 1)

Once you have met all enrollment requirements, including payment of the tuition fees, you will be officially enrolled as a student.

Please mention your student number when you contact us.

Kind regards,

Student Administration
Vrije Universiteit Amsterdam
